

Notice to All 2020 Groups Leaders and Group Passengers - 04-30-20

This national shut down has resulted in a loss of almost 100% of our 2020 "Graduation Trip" business.

All of our trips for 2020 were scheduled to travel between Late March and Early June.

We are still in the process of evaluating what we are able to do as far as recaptured funds are concerned. The process of getting money returned from vendors which has been sent on behalf of our groups is tedious and frustrating. Most of our vendors that are giving refunds and/or portions of refunds say that it can take anywhere from 4 to 8 weeks or more. It is imperative that we wait until we get all recoverable monies before we can announce our total refund planned and issue checks back to the school .

We will work as diligently as we possibly can in getting the answers we need so we can respond to you with complete accuracy, so PLEASE BE PATIENT.

If you have any questions, please direct them to our email address listed below. This will get our severely depleted staff more time to pursue answers. If we responded by phone to thousands of teachers, administrators, parents & students we would be unable to do what we needed to do to complete our work. Plus, there are no answers we could give other than is on this announcement.

Please understand that we need complete data before we can make a fair analysis for all of our students.

WE WILL POST ADDITIONAL ANNOUNCEMENTS ON THIS SITE AS WE HAVE ANYTHING NEW TO TELL YOU!

Thank you for your understanding during these difficult times and we hope all passengers, parents and school leaders are safe.

Please direct any questions that you have to info@beachbreaks.com.
