90% of senior class trips or graduation trips are done by motor coach across the U.S. not by air currently. Campus to Campus chartered motor coach with updated hygiene protocols for your young adult travel group's private transportation and shuttle to all events and meals is typically bid to our school districts. Those coaches depart at a pre-scheduled departure time to meet the following traffic flow or sample itinerary of this historically "most popular" trip from the upper East Coast states.

Speed junkies can get their fix on Intimidator 305 - one of the tallest, fastest, and most thrilling roller coasters on the East Coast. There's also Dominator, Grizzly, Anaconda, Volcano, Drop Tower, Rebel Yell and more. The thrills never seem to end at Kings Dominion with over 15 Roller Coasters and many other rides and shows! *(Can be exchanged for Busch Gardens Williamsburg)*

It's 3 main sails and multiple fore and aft sails are red bark birch colored just as sailing vessels in the 19th century. We will sail in the beautiful Chesapeake Bay. There will be a DJ and a dance floor along with a pizza party and soft drinks during the cruise. (Also Part of Rover Cruises -- The Victory Rover may be chartered/used for some groups as well)
